

**Note:** This list of significant trees will be updated as new information becomes available. The Environmental Commission is collecting information on significant trees within our Township to identify and celebrate those of special significance ([Significant Tree Identification](#)). If you have corrections/additions, or would like to nominate your favorite tree for this list, please submit your nomination on the website or contact the Hopewell Township Environmental Commission at: [hopewelltp-envcomm@comcast.net](mailto:hopewelltp-envcomm@comcast.net).

Common Name	Scientific Name	Tree Location	Tree Circumference (in.) <sup>i</sup>	Estimated Tree Height (ft.)	Tax Block	Tax Lot	Ownership (public/private)	Notes/Unusual Story	Thumbnail Photographs (click for full-size photo)

Common Name	Scientific Name	Tree Location	Tree Circumference (in.) <sup>i</sup>	Estimated Tree Height (ft.)	Tax Block	Tax Lot	Ownership (public/private)	Notes/Unusual Story	Thumbnail Photographs (click for full-size photo)
Elm, American	<i>Ulmus americana</i>	46 Shoemaker Road	144	80	21	2	Private	Nice tree	
Maple/tulip tree		46 Shoemaker Road			21	2	Private	Perfect hammock trees with story-The white barn in the picture was moved from this property to the "Shoemaker Dairy Farm" in the 1950's. The old concrete foundations were not removed until 1989. The owner left these two trees (one maple/one tulip tree) because they had grown over the old foundation. As they grew larger, they have become the perfect hammock trees. The owner receives many great compliments on what a perfect setting it is beneath the trees on a cool summer night.	 
Oak, Pin	<i>Quercus palustris</i>	46 Shoemaker Road	94	90	21	2	Private	Tall tree	

<sup>i</sup> At 4 ½ ft. above ground level
